

WORK HEALTH AND SAFETY POLICY

Territory Instruments is committed to promoting a safe and healthy working environment for employees, suppliers, subcontractors, clients and visitors.

We will achieve this result by undertaking the following actions:

- Provide adequate training, instruction and supervision for the prevention of work related injuries and illnesses,
- Comply with the relevant Codes of Practice, Australian Standards and WHS legislation,
- Ensure plant and equipment is correctly maintained and safety checks undertaken,
- Personal protection equipment is provided to enable work to be undertaken in a healthy, safe and efficient manner,
- Utilise an effective reporting system,
- Be aware that occupational health and safety is of prime importance.

All employees, subcontractors and visitors are required to abide by this policy.
